

Meet Instructions for Verona Invite

- 1. Please follow instructions for handing out your chips from pttiming. Carefully check the numbers you issue to your runners and make sure they are properly assigned. There may be a transfer from Varsity to JV so make sure they are transferred to the proper runners. When you are finished with all your races please return ALL chips to the chip table. Do not allow your runners to leave for home without turning in their chips. The charge for a lost chip is listed in PT's instructions**
- 2. Coaches and athletes: After each race the results will be posted on the boards near the concessions area. Check these carefully to make sure you have the correct place and have been recorded as running. If there are any errors in individual or team scoring report these immediately to pttiming so they can be corrected. Do not wait until awards to report any errors.**

Athletes: check results so you know your place and time. If you are in the top 40 in varsity and top 30 in JV you will be earning an award. Please be present or have a teammate present to accept your award. Awards will NOT be mailed.

T-shirts- The short sleeve tech shirts we have this year will likely be very popular. We will take prepaid orders if we run out of shirts. Make sure you turn in a shirt order form at the concessions with your name, address and phone listed clearly.
