Runners

Please have your runners at the start line 5 minutes before the start of the race and not before. Runners need to be in their starting boxes 2 minutes before the race begins.

WATER/Concessions

Athletes should come prepared with their own water bottles. We will have concessions available to those wanting to purchase items.

Restrooms

Outdoor restrooms located on the west side of the concession stands will be open for spectators, coaches and runners. No one will be allowed access to the main building except for Martin Luther student athletes and personnel.

Turf field

We were lucky enough to update our outdoor fields, specifically the football field has been converted to turf. We ask that no food, gum, seeds, gatorade or any other sports drinks be brought on the infield.

We are looking forward to hosting you all for another great meet at Martin Luther! Good luck to you and your athletes this upcoming season!
