Chip Distribution & Team Rosters

When schools arrive at the meet, they will need to pick up their packet from our timer at the finish line. The packet contains bib numbers with disposable timing chips adhered to the back and safety pins. Additionally, the packet contains a team roster sheet with the bib assignments. To avoid errors in results, advise coaches to double-check their printed rosters prior to the start of the race. Corrections are much easier to make before races begin and results are populated.

IMPORTANT INFO: Instruct non-competing athletes and coaches with timing chips to distance themselves (20ft minimum) from the immediate finish line area as they may disrupt the chip timing system. Instruct competing runners to run through the finish line and all the way through to the end of the finish chute.

BUSES: Please do not arrive before 3:30. Our buses depart between 3:20 - 3:30 from the back parking lot. Pick-up is in the front parking area and usually finishes by 3:40. Please let me know if your school bus will need parking or if they are only dropping off.

PARKING: Encourage families to carpool as parking will be limited. Please ask parents to arrive after 3:45. If parking lots are full, additional parking is available at Messiah

Luthern Church located to the East of Randall School...however the entrance is located south of the 4-Way Stop Intersection.

RESTROOMS: Bathrooms are located inside the school using the Entrance by the back parking lot. Mens room is in the left corner of the lobby (near Gym doors). Ladies room is first door to the left as you enter the hallway on the rightside of the lobby.
