Boys' Middle School Race 4:30 pm

Girls' Middle School Race 5:00 pm

Participating Brillion, Elkhart Lake-Glenbeulah, Gillett, Hilbert, Hortonville (HS Only), Kauakauna, Kiel,

Schools: Mishicot, Oostburg, Ozaukee, Reedsville, Roncalli, St. Mary's Catholic (SMC), Two Rivers (MS Only), Valders

Entry Fee: \$125 for each high school and \$25 for any middle school team not attached to a high school

Course: The course will start and finish at the high school and continue to the back of Ariens property. From there, the course follows a pea-gravel trail. This is not the most spike friendly course, half is grass and half is pea-gravel trail. I recommend trainers, flats or short spikes. There is very little looping, this is good for the runners, but difficult for the fans to see a lot of the course.

Spikes: Spikes are allowed on the course. Please remind your runners to not wear their spikes inside the building.

Facilities: Bathrooms and locker rooms are all located inside of Brillion High School.

Concession: Concessions will be sold outside the school.

Games

Committee: WIAA Starter, Meet Manager, Girls Coach from Gillett, and Boys Coach from Mishicot

 - a. Ariens Company has generously allowed us the use of this space and property, please treat the property with extreme care and respect. Please do NOT cut through their parking lot.

COVID-19 Meet Adjustments:

1. Please DO NOT have runners at the start line until 10 minutes before the start of the race. ALL runners should be at the starting line with 2 minutes before the race begins. All runners should be in their starting box with 1 minute before the race begins. We DO NOT want kids standing in a large group for longer than they need to be!

2. If possible we will try to create large spacing between the teams at the starting line - they should be able to complete their warm-up routine at the starting line with their face coverings on.
3. Face coverings must be worn at the starting line. Face coverings may be removed after the "Remove Face Coverings" sign on the course (approx 200m). Face coverings must be worn after crossing the finish line when the athlete feels safe to put it back on. There will be no recovery area at the finish line. It will be an open chute and we encourage all athletes to congregate at the finish line but to head back to their team camp.
4. Face coverings are HIGHLY ENCOURAGED in areas where 6' physical distancing cannot be maintained.
5. Please stress to coaches/athletes/parents/spectators to respect physical distancing especially around the start and finish areas. We would like to have limited spectators - 4 per runner! Please let your athletes and their family know. We will try to get the athletes to leave the finish line area and recover in their team camp/tent site. We ask spectators NOT to crowd around start/finish areas.

We appreciate your cooperation! Feel free to email with any questions or concerns!

Sincerely,

Coaches Carey Schmid and Jeff Schlender
