This year we will be using PT Timing for our scoring format. Please register your runners by Tuesday, September 10. You can access PT Timing at www.pttiming.com or call them at **800-766-4167**. Thank you.

We will be running Varsity and JV races together. Your top 7 times will be counted as your Varsity runners, and all following runners will be JV. Please make your runners aware that some people may be lapped (doubtful, but possible) and they should pay attention to where they are on the course.

DIRECTIONS:

From North and South: Take Highway 41 (north - Appleton East, Fox Valley Lutheran, Little Chute, New London, or south - Wausaukee) to the Scheuring Road exit (County F) and follow roundabouts off exit to right turn onto Lawrence Dr. (Arby's and gas station are on your left.) Continue south until you see the new baseball diamond and soccer fields on the right-hand side. Park in the lot veering towards the left when you enter.

Pick up entry packets at the concession stand/shelter. Restrooms, food, and beverages are located there. We will again be offering light snacks which will be available for you and your athletes to purchase.
