ONLINE REGISTRATION

We will be using Prime Time Timing (PTTiming). Each high school team is allowed to enter seven (7) varsity runners and an unlimited number of JV runners. All participating junior high/middle school teams will be allowed to enter an unlimited number of runners.

In order to register runners, go to www.pttiming.com. From the main page, click on the upcoming events tab, locate the River Valley Invite, and enter your runners into the appropriate races (e.g., varsity, JV, large school, small school, middle school, etc...) by gender.

Please let us know immediately if your district will be bringing a Junior High/Middle School team that is not included in the list of teams. Also, you must ensure that the Junior High/Middle School runners are registered online in the same manner as high school runners. See the online registration section below.

Online registration will close at 12:00 noon on Thursday, September 12th.

Runners entered into the wrong race by their coaches will be removed from scoring and will not be added to or placed into appropriate races for competition, scoring, or award purposes. Please check your team at the time of registration to make sure that runners are entered into the correct race(s).

Teams that do not pre-register online will not be allowed to participate on the day of the race and will not be refunded their entry fees.
